RECOMMENDATIONS:

Royal Canadian Mounted Police:

- RCMP to ensure implementation of policies are followed. e.g. guard logs, physical checks and continuous training.

Department of Infrastructure:

- Availability of Automated External Defibrillator (AED) devices in public buildings and implementation, availability of AED device training.

Royal Canadian Mounted Police & Department of Health and Social Services & Town of Inuvik:

- All community and government organizations to work together to fund and support homeless and under housed individuals, including individuals who may be intoxicated. This would be done by qualified professionals to work locally with people who suffer from addictions.
