REASONS FOR DECISION

Date of the Hearing: September 24, 2012

Place of the Hearing: Lutsel K'e, NT

Appearances at Hearing: Mary Rose Casaway, representing the applicant

Date of Decision: September 24, 2012

REASONS FOR DECISION

The respondent was sent a Notice of Attendance by registered mail. At the time of the hearing it was unclear whether the notice was picked up by the respondent. However it appears that the respondent received a notice from Canada Post advising that the item was available for pick up. In my opinion, it is reasonable to deem the notice served in accordance with section 71(5) of the *Residential Tenancies Act*. The respondent failed to appear at the hearing and the hearing was held in his absence.

The applicant alleged that the respondent had breached the tenancy agreement by failing to pay rent and by failing to report the household income in accordance with the tenancy agreement. The applicant sought an order requiring the respondent to pay the alleged rent arrears, to pay future rent on time and to comply with his obligation to report the household income in accordance with the tenancy agreement. The premises are subsidized public housing.

The applicant provided a statement of the rent account in evidence which indicated a balance of rent owing in the amount of \$12,534.

The full unsubsidized rent has been assessed for the months of January through June, 2012 and in August, 2012. The applicant stated that the respondent had not provided any household income information to enable the calculation of a subsidized rent for those periods.

I find the statement in order and find the application of the full unsubsidized rent to be reasonable. I note however that should the respondent report the household income, the applicant is obligated to adjust the rent in accordance with the reported income and the rent scale. I find the respondent in breach of his obligation to pay rent and to report the household income. I find the rent arrears to be \$12,534.

An order shall issue requiring the respondent to pay the applicant rent arrears in the amount of \$12,534, to pay future rent on time and to comply with his obligation to report the household income in accordance with the tenancy agreement.
