Respondent/Tenant

**REASONS FOR DECISION**

**Date of the Hearing:** November 9, 2012

**Place of the Hearing:** Yellowknife, NT

**Appearances at Hearing:** Ella Newhook, representing the applicant

**Date of Decision:** November 9, 2012

### **REASONS FOR DECISION**

The respondent was served with a Notice of Attendance sent by registered mail and confirmed delivered. The respondent failed to appear at the hearing and the hearing was held in her absence.

The applicant alleged that the respondent had breached the tenancy agreement by failing to pay rent and by failing to report the household income in accordance with the tenancy agreement. The applicant stated that since the application was made the respondent had paid all of the rent owing. The applicant withdrew their request to terminate the tenancy agreement and evict the respondent in favour of an order to pay future rent on time and to comply with her obligation to report the household income. The premises are subsidized public housing.

The applicant provided a statement of the rent account in evidence which indicated that the monthly rent had not been paid on the dates it was due on numerous occasions. The statement also indicates that the full unsubsidized rent was applied in several months and subsequently adjusted. The applicant stated that the full unsubsidized rent was initially applied because the respondent did not provide the household income information required in a timely manner.

I find that the respondent has breached her obligation to pay rent on the days it is due and has not provided the household income information in a timely manner in accordance with the tenancy agreement.

An order shall issue requiring the respondent to pay future rent on time and to comply with her obligation to report income and not breach that obligation again.
