REASONS FOR DECISION

Date of the Hearing: May 15, 2012

Place of the Hearing: Fort McPherson, NT via teleconference

Appearances at Hearing: Shirley Wilson, representing the applicant

Date of Decision: May 15, 2012

REASONS FOR DECISION

The respondent was served with a Notice of Attendance sent by registered mail. The respondent failed to appear at the hearing and the hearing was held in her absence. At the time of the hearing there was no confirmation that the notice had been received, however the applicant stated that the tenant was still in possession. In my opinion, it is not unreasonable to deem the notice served pursuant to section 71(5) of the *Residential Tenancies Act*.

The applicant alleged that the respondent had breached the tenancy agreement by failing to pay rent and by failing to repair damages to the rental premises. The applicant sought an order requiring the respondent to pay the alleged rent arrears, pay for repair costs and terminating the tenancy agreement unless those amounts were paid in full. The premises are subsidized public housing.

The applicant provided a statement of account, work orders and invoices for repairs in evidence. The statement indicated a balance owing of \$413.07. The applicant stated that of this amount, \$22.10 represented rent arrears and \$390.97 represented repair costs for a broken door and call-out charges to open a door. The applicant stated that the door was broken due to the tenant's negligence or by a person the tenant permitted in the premises.

I find the statement in order and find rent arrears of \$22.10. I find the repair costs to be reasonable and find the balance owing to be \$390.97. In my opinion, there are sufficient grounds

to terminate the tenancy agreement unless the rent arrears and repair costs are paid in full.

An order shall issue requiring the respondent to pay the applicant rent arrears of \$22.10 and repair costs of \$390.97 and terminating the tenancy agreement on June 30, 2012 unless those amounts are paid in full.
