**REASONS FOR DECISION**

**Date of the Hearing:** February 18, 2015

**Place of the Hearing:** Tulita, NT

**Appearances at Hearing:** Helen Squirrel, representing the applicant

**Date of Decision:** February 18, 2015

### **REASONS FOR DECISION**

The respondent was served with a Notice of Attendance sent by registered mail and confirmed delivered. The respondent failed to appear at the hearing and the hearing was held in her absence.

The applicant alleged that the respondent had breached the tenancy agreement by failing to pay rent and sought an order requiring the respondent to pay the alleged rent arrears and terminating the tenancy agreement. The premises are subsidized public housing.

The applicant provided a copy of the tenant rent ledger in evidence which indicated a balance of rent owing in the amount of \$12,158.52. The full unsubsidized rent of \$1445 has been charged in each month from October, 2014 to February, 2015. The applicant testified that the respondent had failed to provide any income information on which to calculate a subsidized rent.

Article 6 of the tenancy agreement obligates the tenant to provide income information on the request of the landlord.

#### **6. Tenant's Income**

The Tenant promises to provide a subsidy agent appointed by the Landlord with an accurate report of the Tenant's income, the income of any occupant of the Premises, the size of the Tenant's family, and the number of occupants residing on the Premises, whenever, and as often as, the subsidy agent requests such a report. All reporting by the Tenant must be in the form prescribed by the subsidy agent.

The applicant stated that the respondent was required to provide income information monthly.

I find the ledger in order and find the application of the full unsubsidized rent to be reasonable. I find the rent arrears to be \$12,158.52 but note that if the respondent reports the household income, the applicant is obligated to adjust the unsubsidized rent accordingly. The respondent has made only occasional rent payments and appears to have ignored her obligation to inform the landlord of the household income. In my opinion, there are reasonable grounds to terminate the tenancy agreement unless the rent arrears are paid and the outstanding income information is provided.

An order shall issue requiring the respondent to pay the applicant rent arrears of \$12,158.52 and terminating the tenancy agreement between the parties on March 15, 2015 unless those arrears are paid and the outstanding income information is provided to the landlord.
